

Soccer Travel Team - U12 Boys **Tryout Announcement** **[Cheverly Soccer Club](#)**

The Cheverly Soccer Club is sponsoring a U12 boys soccer team to play in the Baltimore Beltway Soccer League ([BBSL](#)) during the Fall 2010 season. We are looking for players that love soccer, are disciplined and experienced, and are committed to improving their skills and having fun while playing team-oriented soccer. This team will start practices in August, and games will start in September. Games are 8 on 8, and we plan to carry 12 or 13 players on the team. There will be four home games in Cheverly, and four away games against clubs within 75 minutes (between Cheverly, Baltimore, and Annapolis). Players will be invited to play indoor soccer as well over winter (separate registration).

Age Group: Boys born **8/1/1998 or after** (they do not turn 12 before 8/1/2010)

Tryout Dates: **Saturday June 12 at 9 AM, & Tuesday June 15 at 6:30 PM.** Wear cleats and shin guards. You may choose to attend one or both sessions, which will last no more than 1 hour. If invited to join the team, **registration applications** will be due by June 30, 2010.

Tryout Location: Cheverly Town Park, 6401 Forest Road Cheverly, MD 20785

Directions: For directions from your home, please [click here](#). Once you turn into the Community Center, please go to the left and proceed down to the field at the bottom of the hill. Parking available.

Player Expectations: Prior to trying out, please consider that we expect players to commit to attend all practices and games if at all possible, and for this to be considered the player's primary activity when there are scheduling conflicts. Please speak with the coach about any special circumstances. There will be two practices a week, as well as expectations for self-managed conditioning and skill-development. Most games will be on Saturday, with potentially a couple played on Sunday.

Costs: The fee for each player will be around \$150 (includes uniforms) for the Fall season. No formal scholarship fund exists, but if finances are a concern we will attempt to make arrangements. Please contact the coach.

Coach: Dan Shenk-Evans has coached youth soccer for 5 years, and will have his "Class E" license in the fall. Having grown up in Brazil and Costa Rica, he played year round and learned to love the game and continued to play in high school and college. He lives in Cheverly with his wife and two children.

Team History: The core of this team has won 3 recreational outdoor league titles, as well as having been indoor champions and runner-up at Rockville Sportplex. We seek several more good players to round out the team as the level of competition increases.
